Limerick Chill Cure. CERTAIN REMEDY FOR EVERY

Worthy of Attention.

To Dr. Thomas Hurley:

I havely cartify that during last year I was attacked with the agus, whilet in Vicksburg, Miss., and used swarps papular medicines with but temporary relief. On reaching home the disease returned in a worst type, if prosible, when my medical attention ordered Quitine in area doses frequently as high as 60 grains per day, and which must have cost me about 180c. I consulted Dr. Smith, of Louisville, sand found he preserribed quinine and armenic, which I retused to take, prefering to let the disease take its opured. FORM OF FEVER AND AGEE! Contains No Quinine or Arsenic; is Pleasant to the Taste; Chills

which I refused to take, prefering to let the disease take its course. It was almost bloodies, extracely chimited, and pronounced with enlarged Liver and spleen. About this time, the advertisement of Hurley's Ague Tonic appeared in a city paper, and idelegationed to give it a trial. Idde o, and have the tease it regret it.—One bottle restored the completely, and since that time have seen nearly a hundred cases it which the test with equally happy results, and would certainly securing it is a prescrible to any other to see eases the public. JAMES NARTH, Ingluser.

Louisville, Ky., June 16, 1886. Floyd Saruta aning Remedies generally, it requires no nurse size to be taken with it, the medicine itself acting gently and acrossibly upon the liver and lowels; effectually removing the cause of the disease not singly checking it, as is the case where quining and areance ar-nsed, which smalls combined in seeding STRAWBERRY ALLEY. of most of the medicines in the market.

All who have had Chills and Fever, and have laken which so are all, are swarr that the medicines often leave the evatem is an sunleading condition, making it more distants to relieve it of their effect than of the original disease.

"Wintersealers improved Chill Cure" leaves the system in a refectly beaithy condition, with no bad fects in any way to be worn off.
